

# Tomato Grafting Workshop

Tuesday, January 27, 2009

Fisher Auditorium, OARDC; 1680 Madison Avenue, Wooster, OH

12:30 pm – 5:00 pm

Grafted plants may be more vigorous, disease- and stress-resistant and higher yielding than ungrafted plants but care is needed in their preparation.

Learn how to successfully graft tomatoes

Join us for presentations and hands-on instruction. Discuss grafting with University specialists and farmers. Receive a step-by-step grafting guide and resource packet.

Speakers:

David Francis, Matt Kleinhenz, Sally Miller, and Brian McSpadden-Gardener of The OSU Local Farmers

Questions:

Please contact Matt Kleinhenz (Extension Vegetable Specialist, OSU/OARDC); 330.263.3810, kleinhenz.1@osu.edu

Registration:

Cost is \$25 for the first registrant and \$10 for each additional registrant from the same family or business. Includes access to the program, grafting guide and resource packet, and refreshments.

Preregistration is required to prepare demonstration, training and reference material.
