

2010 Farm Science Review CCA CEU Opportunities

For something a little different, below are CCA CEU “no charge” opportunities. No advance registration is required for most, and all are on the Farm Science Review grounds and open to the public.

At the event, look for the “**Are You Good Enough to be a CCA?**” bulletin board and sign-up clipboard. *Sign in on the day and time* you are at the event, and we’ll get you the approved educational credits.
